Jesus -- The Rock That Will Not Roll

(An expose of Satan's Minstrels of Music)
by Lt. Col. Jack Mohr, AUS Ret.

"Every good free bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit... Therefore by their fruits shall ye know them". **- Matt. 7:18, 20**

PRELUDE

Christian Youth and Parents, Have You Been
"Sucked in" by this Satanic Delusion?

"This know, that in the last days (of this age) perilous (dangerous) times shall Come. For men (and women) will be lovers of their own selves - . Having a form of godliness, but denying the power thereof: from such turn away". **- 2 Timothy 3:1-5**

Jesus Loves to Rock and Roll Or Does He?

For many years, knowledgeable men and women have known of plans to Capture the minds of our people through "Cultural subversion" - Although we have been told that anti-Christ Communism is dead, the same anti-Christ crowd, headed by Talmudic Zionism, is pursuing the same objective today. During the Korean War (1950-53) this was popularly known as "brain washing". The Chinese Reds had a more descriptive term, they called it "Thought Control" or "Mind Control".

The end results as planned by this Talmudic group, is the destruction of White Christian civilization and the emergence of America, and the other great nations of Christendom, in a Jewish controlled New World Order.

It must begin with the destruction of the moral and spiritual foundations which have made our countries great. In America, this plan has been underway for decades, as we see the constant attack against the family unit, the subversion in our churches, where our worst enemy is glorified as God's Chosen and where our education system and the media have joined hands in this godless venture.

At the end of the Korean hostilities, when Major General William Dean, our highest ranking **POW** was returned through Pan' Mun 'Jon, the chief Chinese interrogator, a Lt. Col. with a Ph. D., from UCLA accompanied him. According to the general's own testimony, this communist told Dean: "Don't feel bad about leaving us, for we will be in control of your country one of these days". When Dean asked how they would accomplish this, he was told: "All we need to do is destroy one generation of your youth, and we will conquer you." This has been their plan!

As a result the efforts of the Talmudic-Socialist-Communist enemy has centered on our most precious possession, our American boys and girls.

In the Communist textbook **PSYCHOPOLITICS**, which was their "blueprint" for the subversion of America, written in 1933, we find these words on page 24: "By the use of various drugs, it is, in this modern age, well within the realm of psychopolitical reality, entirely too easy to bring about a state of severe neuroses or insanity in the wife or children, of high officials, and thus pass them, with the full consent of the Important person, and the government in which he exists, or the bureau in which he operates, into the hands of a psychopolitical operator, who then, in the safety of his own laboratory, without restraint or fear of investigation or censor, can with surgery, electrical shock, sexual attack, drugs, or other useful means, degrade or entirely alter the personality of that family member, and create in that person, a psychopolitical slave subject, who then, on command or signal, will perform outrageous actions, thus discrediting the important person, who will then demand that

certain (political) measures are taken as directed by the operator"

I believe this may very well account in large part, for the outrageous actions of children or spouses of political and religious figures, used to discredit them.

Since in most civilized countries, such a person can be declared insane, and lose all their rights, such as owning property, or testifying in court, this has become an excellent tool for the enemy to use in the degrading and destruction of America as a Christian nation.

Further on page 27, this book **(PSYCHOPOLITICS)** describes the method by which this degradation can be accomplished. it says: "Deny the Capitalist (Christian) country easy access to courts, bring about and support propaganda to destroy the home, create continuous juvenile delinquency, force all manner of practices to divorce the child from the family, which will in the end create the chaos necessary to communism.

"Under the saccharine guise of assistance to them rigorous child labor laws are the best means to deny the child any rights in society. Refuse to let him earn and by forcing him into unwanted dependence upon grudging parents, who have been forced into a never ending economic stress, the child can be driven into revolt and delinquence will ensue.

"Make readily available drugs of various kinds; give the teenager alcohol, praise his wildness, stimulate him or her with sex literature and teach sexual practices in sex education. Using these methods, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness which will drive them into communism".

As we look at what has happened in America over the past fifty years, one would have to be entirely lacking in intelligence if they could not see the terrible results which have been accomplished.

Just one evening of roaming the TV channels, should be enough to prove to you the depravity (most coming from Jewish funded entertainment sources), which is being force fed to America's gullible youth.

One will immediately note, and be properly shocked, if they have not seen it before, how decent American young people can be transformed from normal, happy human beings, into a screeching, howling mob of savages, enticed by the horrible caricatures of humanity who Gambol on the stage as rock musicians. These appear in every guise of indecency and filthiness, driven on to their excesses by the ear splitting resonance of what is known as "Rock 'n Roll".

The enemy infiltration of America's music in the past fifty years has been nothing short of phenomenal. It is being used as a two-edged subversive sword with one cutting edge aimed at moral disintegration, while the other destroys the mental and emotional stability of our youth through a process which causes mass neurosis.

In 1946, the Zionist influence on this propaganda, came to light when Sidney Finklestein, a Jewish cultural spokesman for the Communist movement in the U.S. wrote a book **HOW MUSIC EXPRESSES IDEAS!** in which he called for: "breaking down barriers between classical and popular music." He proposed to smash this barrier, by inundating classical music with the "Music of the Negro people". He was not referring to Negro spirituals, but rather the African jungle beat music which today inundates American music with its racuous sounds, accompanied by equally racuous and filthy sexual lyrics.

Jerry Rubin, the Jewish radical of the Vietnam War era, in his communist oriented book **DO IT!** states that "rock 'n roll" marked the beginning of the communist revolution among American youth. He openly stated: "We use sex, rock 'n roll, and dope as part of the communist plot. We've combined youth, music, sex, drugs, and rebellion with treason I That's a hard combination to beat!"

This may be why one Jewish commentator said: "If the establishment knew what today's popular music was saying, not necessarily what the words say, but what the music says, they'd ban it! They would smash all the records and arrest anyone trying to sell or play it!"

But now, looking at modern music from the perspective of 1993, we realize that the so-called Establishment, has been in the plot all along, for it has been vitally necessary for them in order to produce their New World Order, which will be devoid of Christianity.

William C. Bullitt, America's first ambassador to the Soviet Union, once stated: "The great tragedy of the West is that it's leaders - and they are good Christian patriotic men - simply are not capable of grasping or understanding the nature of the enemy bent on their destruction." While this may have been true then, although I seriously doubt it, America's leaders for the most part have known what was going on, but have been traitors to this country, and to their oath of office to protect It and it's Constitution from all enemies without and within. Instead, we have seen them subsidize and help these enemies over and over again.

From at least 1945 until the so-called "end of the Cold War", our leaders have "conned" the American people into believing that Communism was our greatest enemy. We have spent hundreds of billions of dollars building a defense against them. Yet during this same period, on at least 14 major occasions, when this enemy has been on the verge of economic destruction, it has been our government, using our tax money, that has put them back on their feet. In my understanding this is "giving aid and comfort to the enemy," and is **TREASON** of the highest order.

Today, many of the "good Christian patriots" Bullitt spoke about, were in the move to sell America "down the river", into slavery.

Many of our politicians, and yes our Christian ministers, have been willing to cooperate with the enemy for profit, popularity, or other selfish reasons. It is unfortunate indeed, that many of these are Christian religious leaders, which teach two falsehoods. First that the enemy is God's Chosen, and second that when Christ died, He did away with the Law. This has turned most Christians into the "panty-waisted, sissy-britches, good-Lord, good-devil crowd" of the Laodicean church. (See Rev. 3).

One of the major Talmudic methods of destruction of Christianity is through a little known psychological weapon called "mentacide", (destruction of the mind). It is a psychological process which literally causes "mental suicide". In fact, it's major purpose is to "create sick minds

By using music, hypnosis and Pavlovian psychiatry, these evil men can destroy a nation without a military attack, as they have said: "America will raise the hammer and sickle over the country themselves". Or as Khruschev said: "They will become so degraded from within, they will fall into our laps like overripe fruit".

We know from Biblical accounts, that as early as 1063 B.C., David, the Psalmist, used music to soothe a deranged mind. We read in 1 Samuel 16:23 - "And it came to pass, when the evil spirit from God was upon Saul (King of Israel), that David took a harp, and played with his hand: so Saul was refreshed and the evil spirit departed from him". Someone once commented that "music has charms to soothe the savage beast". This is true I But it can also be used to stir up the savage beast, and this is how the enemy is using it against American youth.

As far back as the time of Plato, the Greek philosopher (427-347 B.C.), he warned the Greek legislators against all music which was of an effeminate or lascivious nature, while encouraging that which was pure and dignified.

I saw a dramatic personal example of this while I was serving with the Army in Eritrea, East Africa in 1958-62. While on a hunting trip into central Sudan, 2500 miles inland, where they had never seen a white man before, where they had no knowledge of the wheel, or even how to start afire, we attended a native celebration one night. The music was provided by different sized drums, made from hollow logs. I was amazed to see the effect this drumming had on the natives. One drum beat would produce a hypnotic effect, where the people around the campfire would sway together in perfect rhythm. A change of the beat would cause the warriors to leap to their feet and charge into the crowd, stabbing in all directions (woe be to anyone who got in their way). Then the beat

changed again, and the men rushed to drag the women by the hair, into the surrounding brush, where a gigantic sexual orgy took place. At that time I thought:

"How absolutely Satanic this is!" Then several years later, I attended a rock concert in Miami, where I heard the same drum beat, with the same effect on civilized youth. The young girls, many from Christian families, went into a frenzy as they literally fought to get on the platform with the gyrating musicians. Some tore off their blouses, and scratched themselves on their bare breasts until they drew blood. It was as savage and Satanic as anything I saw in Africa.

In the intervening years since 1962, the rock scene has got much worse, as degenerates like Madonna and "the Prince" have become popular to the point where they are actually worshiped by "brain dead" youth. Yet today, many youth become extremely hostile if you point out how they are being used, and they are often backed in their stand by their parents and church leaders.

A careful study of "hard rock" will prove to an impartial observer, that not only is the beat harmful to the mind, but the lyrics promote promiscuousness, use of drugs, chaos and rebellion against everything decent. This, of course, is their purpose!

To a casual observer from another planet, it would be easy to understand the evil behind the modern Jewish controlled music system. All one needs to do is look at the names of those who own the music companies that produce rock, and those who promote it. Look at the names of the rock bands, such as **GRATEFUL DEAD,** then look at the savage, sleazy appearance of the artists, at the dinky Afro's, their antics such as biting the head off a live chicken, and many other utterly revolting things which civilized people should detest. Look at their antics which we know suggest the sex act in it's rawest, that they perform on stage in front of everyone. All this filthiness has a purpose The degradation and ultimate destruction of White Christian civilization is their ultimate aim I And I use this term, not because I am a "racist" but because I am speaking about the Christian majority.

I recently finished reading David A. Noebel's book **THE MARXIST MINSTRELS** for the third time. It is one of the best books exposing how the enemy uses music to subvert our youth, although somewhat dated at this point. In this book he quotes from many sources, how beginning in the 1960's music companies such as **YOUNG RECORDS; RECORDS, INC.,** were set up by the communists for the expressed purpose of subverting our youth.

It is extremely interesting to note the large number of Jewish names found among the musical companies publishing this rot. But when we realize that the objectives of Talmudic Zionism, run parallel and in agreement with those of communism, we can understand why this is.

Most of our gullible youth become so disoriented and actually hypnotized bythis music, that they have no idea of what the enemy is doing to them and readily play into their hands.

I saw a good example of this after the Korean War, as I worked with returning **POW's**. I sat on the court martial of an Army Staff Sergeant, who had been accused of murdering four fellow soldiers. This man, with an outstanding combat record, had been captured near the Manchurian border, in the initial Chinese offensive of November 1950. He was placed in a mud hut in a prison camp near the Yalu River with 39 other **POW's.** In that terribly cold winter, where the temperature often plunged to 400, they huddled together trying to keep from freezing. Since they were not allowed to go outside for sanitary purposes, and four of the men were sick with dysentery, the hut became mighty smelly. One night, in disgust, this sergeant threw the four sick men outside, where they froze to death. I was not terribly shocked by this, since there are always men who will do anything to gratify their own senses. The thing that shocked me, was the attitude of the other 35 men in that hut. Eight of them appeared as government witnesses for the prosecution. When they were asked: "What did you do when the sergeant threw those sick men outside?" Everyone answered: "We didn't do nothing" When asked "Why?" their response was: "It wasn't none of our damned business!" Where do you suppose they had developed this lack of concern? Very possibly from their school or maybe even their church, which was teaching humanitarianism instead of Christianity. This "mind altering" had taken place before they began their "brain-washing" in the military.

The idea of the "mental child molesters" in psychology and music, is not to make minds well, but to make them sick.

Turning again to the textbook on **PSYCHOPOLITICS,** page 41, we read: "Defamation is the foremost weapon of the Psychopolitical operator . . . By attacking the morals and character of man himself and by bringing through contamination of youth, a general degraded feeling, command of the populace is facilitated to a marked degree

On page 43: "As it seems in foreign nations (America) that the (Christian) church is the most ennobling influence, each and every branch and activity of every church must be discredited. Religion (Christianity) must become unfashionable by demonstrating through psychopolitical indoctrination, that the soul of man is nonexistent, and that man is an animal. An immediate attack upon the sanity of the attacker, before any hearing can take place, is our best defense". This is why the Christian Patriot is always painted by the controlled media, as being "paranoid, anti-Semitic, racist, and Fascist". The best defense of the enemy is through "defamation of character".

Recently, a very good friend of mine, who has been on Death's Row, at the State prison in Tucker, Arkansas, was evaluated by a government psychiatrist. The psychiatrist said he was unbalanced because "he believed there was a Zionist plot to destroy White Christian civilization", even though the Zionists openly admit this is their plan. Yet most members of the Judeo-Christian churches in America, have become so thoroughly brainwashed by Jewish mind control in their churches, that their minds are literally encased in "denominational cement", and only the "dynamite of God", can blow them loose, to where they are even willing to listen to the truth. I know, from sad personal experience for I went through this deadening process over fifty years, before I learned the truth.

Christian clergy who use the term "anti-Semitic" rarely know what the term signifies, and are often found among those who allow "religious rock" in their churches. They should know better, for even basic knowledge of English, shows that they have become "intellectual prostitutes" of Zionism. They have ingrafted into this Christian generation, with few exceptions, the idea that everything in life is secondary to what they do right now. This has given us such slogans as: "You only go around once in life, so live with gusto!" "If it makes you feel good, baby, do it!"

The enemy has been successful in turning many ministers of the gospel into "male prostitutes", for Zionism. (A "male prostitute" is one who sells his body from the shoulders up, as a female prostitute does hers from the waist down"), These so-called "servants of' God", like the female of the species, are willing to sell out to anyone who has the asking price. Should any whisper, pamphlet, or book against the enemy efforts be published by a Christian Patriot, you can count on these "religious prostitutes" to immediately brand them as "insane and a danger to decent society".

Jewish leaders openly admit their desire to wipe our White Christian civilization which is the only barrier that stands between them and their New World Order. The Jewish author Samuel Roth, stated: "We (Jews) come to the nations pretending to escape persecution, while we are the most deadly persecutors in all the wretched annals of men".

The **AMERICAN HEBREW** readily admitted in it's Sept. 10, 1920 issue, that the Bolshevik Revolution was the result of Jewish planning and stated: "What happened In Russia, will through Jewish mental and physical forces, become a reality over all the world". They were willing to slaughter over 140-million human beings to bring this about, including tens of millions of your Christian brethren. Now they are using your tax money to build a Museum to their so-called Holocaust during WWII, which is more and more proven to be one of the biggest hoaxes they have ever pulled on gullible Christians. While the much larger Christian Holocaust of World War Il and Communism, Is seldom mentioned, these mental deviates laugh as they "pull the wool" over the eyes of brainwashed Christians, who still insist on elevating them to the position of God's Chosen. This, even though they know their own Savior said of them: "Ye believe not, because ye are **NOT MY SHEEP",** (John 10:26). What will it take to get our sleeping people to wake up? Must we see our sons and daughters slaughtered in the streets, our women violated, and our churches and Bibles

burned, before we wake up to reality?

So in the light of these truths, there is little wonder that the attack against our Christian youth, is coming from those who have publicly declared their hatred for our King.

When analyzing the ideas which drive modern music makers, you will find them engaged "hand in glove" with the psychologists and psychiatrists of the land, who are almost always Jews. They are engaged in the One World idea of breeding a "race of mentally ill Americans (U.S. and Canada alike), beginning with our children, starting when they are In kindergarten.

As you study their methods, you can understand why the Communist Khruschev was able to honestly say: "We will bury youl"

Remember, Talmudic communism is not dead, no matter what the controlled media tells you to the contrary. It has merely changed it's name. It is still controlled by the same "hard-nosed, Jewish Communists", who have been in power since 1918. If you refuse to believe this, I challenge you to take an honest, unbiased look at what Is happening in Asia today.

Going again to **PSYCHOPOLITICS,** page 44, we read: "By perverting the institutions of a nation and bringing about general degradation, by interfering with the economy of a nation (they did this successfully in 1913 with the Federal Reserve System),to the degree that privation and depression can come about (we have only experienced this to a mild degree before, now we are about to see real suffering among our people), only minor shock will be necessary to produce in the population as a whole, an obedient reaction, or hysteria".

Can you imagine what would happen if a "back pack nuclear bomb" carried by the Russian Spetsnaz troops we know are in the U.S. by the hundreds, were to go off in a large city? Look what happened when that bomb went off in the New York Board of Trade. If a nuclear device were exploded, our government, pressured by so-called Christian ministers, would be forced to surrender, before the first enemy soldier landed on American soil.

It is indeed strange and terribly sad, to see so-called Christian organizations such as the National Council of Churches, use and recommend children's records put out by the enemy. It is all part of the overall plot. Even the conservative Southern Baptist Convention was guilty of aiding in this debacle, when they sold records put out by Communist record makers, in their book store at 1010 Broadway, Nashville, Tennessee in 1965.

The same can be said of the United Methodists, the Presbyterians and many others. It is also interesting to note how family magazines such as Good Housekeeping, Parents, and Los Angeles Times, and others, have backed the subversive music companies. But it is understandable, when you realize that all these media outlets are Jewish owned, and/or controlled.

The Jewish **ANTI-DEFAMATION LEAGUE OF THE B'NAI B'RITH,** and the Jewish controlled **AMERICAN CIVIL LIBERTIES UNION,** have stood up for the rights of these "mental child subverters" to exercise control over the minds of our children through subversive methods.

One of the biggest problems in recent years in Christian families, is that parents have become so "brainwashed" that they have become responsible **TO** their children, rather than **FOR** them. There is a great deal of difference. As a result we see Christian parents, who buy sound systems for their teenagers, which often cost hundreds of dollars, then shell out other funds, so they can purchase records which are made to destroy them. Jesus told us how He felt about these "child molesters" in Matt. 18:6, when He very plainly stated: "But whoso shall offend (Greek - "cause to stumble, or entice to sin"), one of these little one's which believe in Me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea". God will show very little mercy in the Judgment, for those who have deliberately tried to destroy our youth. Teachers and preachers alike, beware!

If someone tried to molest your child, you would be right to be indignant and take any measures

necessary to stop it, even if it meant physically harming the molester. But many Christians have forgotten what the Apostle Paul said in 1 Timothy 5:8- "But if any provide not for his own (people; blood kin) and specially for those of his own house, he hath denied the faith, and is worse than an infidel". Brother and sister Christian, this means protecting them, as much as giving them food and clothing. The so-called Christian who pontificates about how he would never use force for any reason, is a traitor not only to his family, but to his God.

By now, some who are reading this tract may believe I am engaged in an anti-Jewish diatribe. Not at all! I am merely telling the truth; observable facts, If you are honest enough to look at them. I am not exposing them because they are Jews, but because of the evil they are doing. Paul told us what to expect of them In Titus 1:10, when he said: "But there are many unruly and vain talkers, **SPECIALLY THEY OF THE CIRCUMCISION:** whose mouths **MUST** be stopped, who subvert whole houses, teaching things they ought not for filthy lucre's (money) sake." Then in 1 Thessalonians 2:15, he says of them (the Jews): ". . . they please not God, and are contrary to all men". Those are not my words, they come from the Book. So all I am doing is giving you the facts, about those people who openly declare their intentions to destroy White Christianity.

Everyday on the television, on the printed page, in Sunday School literature, in the classroom, we see our precious boys and girls as they are under attack by this vicious conspiracy. Yet very few Christians, have the "intestinal fortitude" to openly oppose it. Men like Jerry Falwell give lip service to Pro-Life groups. So does Pat Robertson and Dr. Billy Graham. But you will find none of them who have the courage to tell their listeners who is behind this conspiracy. Why? Could it be the millions of dollars they take in through their TV programs, which would be "down the tube", if they told the truth? Pat Robertson decries the movement to destroy Christianity, on one hand, while subsidizing these same enemy on the other, by declaring them to be God's Chosen. We could name many others such as Jack Van Impe, Oral Roberts, David Webber, etc.

I am sick and tired to the point of nausea, with these Christians who will not use physical force to defend their loved one's and their God. They search the scriptures, trying to find verses which will back their so-called nonviolence, while like Martin Luther King, Jr., adding to the violence they say they abhor, by allowing wicked men to control our people.

During the Vietnam War, Jerry Rubin, one of the Jewish "mind molesters", who invaded our college campuses stated: "We will combine youth, music, sex and drugs with rebellion and treason - that's a combination hard to beat!" (From his book **DO IT**, pg. 249).

At this time I was working the college lecture circuit and came into many violent confrontations with those who were attempting to destroy our education system. In 25 incidents with the so-called "hippie" element; one violent one at the University of Kansas in April 1972, where I was beaten by the dissidents; I found every radical group led by young Jews from wealthy families. The college coeds who deliberately exposed their "private parts" to harass the National Guard at Kent State, were for the most part Jewesses. This is typical of the Talmudic breed, which revels in sexual filth, so we should not be surprised when we find them heading the movement to destroy Christianity.

The "jungle rock beat" popularity known as "rock 'n roll" has infested the world of modern youth music, as it has been deliberately encouraged by the Jewish controlled and owned music companies and magazines.

It is not unusual on television to see some "cornrolled, hairdooed Rastafarian (member of a Jamacian born Black religious sect, which wants to be repatriated to Africa) dude" as he dances to the "jungle beat" with a lovely blonde, blue-eyed, fair-skinned white Israelite female who should know better.

As far back as 1854, Henry David Thoreau, a U.S. naturalist and writer, predicted that music would eventually destroy both England and the United States, and today, in both these countries, as well as through all the nations of Christendom, this prophesy is being fulfilled, often with church approval.

Much later, Nicolai Lenin, premier leader of the Russian Revolution, realized that decent society could be destroyed by degrading its music. It is interesting and rather frightening to see how Jewish authors are tied in with this degradation. The communist Jew, Sidney Finklestein, openly set forth a "blueprint" to destroy the barriers between classical and popular music. The final goal, as he openly stated, was to so inundate Americans. with the jungle rhythm of Africa, they would turn away from good music and civilized conduct.

To see just how successful they have been, one needs only to turn on the TV set, where the musical background today for the most part, even in the commercials is 90% "jungle beat". Here we can see thousands of American youth, as they twist and gyrate, white and black savages together, in a sexual filth that beggars description. The few good programs where you can hear decent music, such as the Lawrence Welk Show, are looked on with contempt by the younger set as being "old foogyism".

While some liberals thought of "rock 'n roll" as being "deep south Negro music," it was not! This type of music can be seen in the often deeply moving Negro spirituals. While "rock 'n roll" goes to the very heart of dark Africa, with its occultism, Satanism and animistic religion. This is the same thing that can be found in the voodoo religions of Jamaica and Haiti.

Today, most of the well-known music houses are flooding America with this savage rhythm, which has proven to be mentally unsettling to our youth, and a medium for revolution, rebellion, sexual promiscuity and the drug culture. They all go hand in hand!

Time after time at rock concerts, which draw countless thousands of our youth, who spend billions of dollars to see their "rock idols" perform, riots have broken out, as these same youth, "bombed out of their minds by drugs, and/or alcohol" and urged on by the savage beat of the music, allow their passions to take control in a murderous frenzy which has laid dormant in the human soul for thousands of years. In fact the passion they expose, is not white passion, but the hidden Satanism of darkest Africa.

Decent girls from Christian families, under the influence of the hysterics caused by this music, have been known to disrobe in front of screaming crowds, and even their soloists have been called "screamers", which is an apt description of the sounds they produce.

Strangely enough, this hysterical behavior has been tested in psychologically controlled laboratories, where psychologists have experimented with methods to induce atypical neuroses.

On page 18, of the communist textbook, **PSYCHOPOLITICS,** we read: "The Capitalist (put Christian) does not know the definition of war. He thinks of war as an attack with force performed by soldiers and machines. He does not know that a more effective, if somewhat longer war can be fought with bread (food), or in our case with drugs... The Christian has never won a war of truth, so the psychopolitician will have little trouble winning this one". You see, they look on Christians with contempt, as "empty headed fools".

This is a sad commentary on modern Christianity, which should be in the forefront of the battle against spiritual darkness.

The use of Christian Rock is one of the methods being used by the adversary, "Surely," brainwashed Christian leaders are wont to say, "anything that glorifies the Lord can't be all that bad. Besides, we need to attract young people to church, so we can reach them with the gospel message".

This is a sad commentary on any church, if they must use Satanic methods to attract young people to the gospel truth. No wonder our youth are leaving the church by droves, as they face the anemic gospel of the Laodicean church.

Churches will find it difficult to attract intelligent youth, if all they have to offer are worldly entertainment. Nowhere in the scriptures are Christians urged to use worldly methods to win men and women to Christ. We are told in places such as 1 Thessalonians 5:22 to "Avoid the very appearance of evil". Often when a church allows religious rock in their services, it will be followed by church dances, many times with integrated youth in attendance. "After all," the church leaders

say, "we are all alike in God's eyes".

A church which will permit Satanic music, no matter how fine the lyrics may be, will also permit un-scriptural inter-racial relationships, which will lead to the sin of inter-racial marriage, which is condemned by God, Billy Graham to the contrary.

While it is not my purpose to discuss this subject here, inter-racial marriages have always been a sin in the eyes of God, no matter whether both parties are Christian or not, and always lead to problems for the offspring. Throughout history, they have always led to national disaster. This is another evil that has destroyed many great civilizations, which always begin to decline when miscegenation takes place. Don't argue with me about this, read your history books.

The Russian physiologist Ivan P. Pavlov, did much experimentation in the study of "conditioned reflexes". From his writings we are led to believe that he thought these studies would be a blessing to mankind. But coming from an atheist background, this proved impossible, and when Lenin, the Russian dictator read his findings he stated: "You have saved the revolution!"

I saw many of Pavlov's ideas as they were used against our American Prisoners of War in North Korea (1950-53). Pavlov, in his experimentation learned how to cause neuroses In both animals and humans, and these experiments were furthered by using our men as "Human guinea pigs". The Chinese, who were far more apt to used these techniques (the North Koreans were noted for their physical brutality), found that they could draw desired information from our captured soldiers, much easier through psychological means than by force. I know my own experience was that when force was used against me I would grit my teeth and say to myself: "Nothing you little b . . . .s can do will get me to cooperate with you". So in most cases, the Chinese used psychological means. In fact there was not a documented case where an American was tortured by the Chinese.

It has been noticed by many who have attended rock concerts out of curiosity, that the music and antics of the musicians, produces frantic, hostile, uncontrollable, screaming unrecognizable human beings. This Is its purpose!

Referring again to **PSYCHOPOLITICS,** page 42, we read: "The first thing to be degraded in any nation is the state of man, himself.

Nations with a **HIGH ETHICAL** (moral) tone are difficult to conquer. Their loyalties are hard to shake, and their allegiance to their leaders will often be fanatical, and what they usually call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of psychopolitics to reduce that state of mind to a point where it can be ordered and thus enslaved. Thus, the first target must be man, himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must no longer think of himself, or his fellows as capable of spiritual endurance or nobility".

This no doubt is why the unproven theory of evolution is taught in our public schools while the Biblical story of Creation is not allowed. Our boys and girls are being taught that they are animals, with animal instinct. Superior animals to be sure, but animals nevertheless and that being animals they have no soul. (This was what separated the **FORMED** Adam of Genesis 2, from the **CREATED** man of Genesis 1. The Bible says that God 'Breathed Into his [Adam's] nostrils the breath of life, and man [Adam] became a living soul"). This is why he has the spiritual integrity, the adversary needs to destroy, before he can enslave and control.

Add drugs, the stimulus of rock music, alternate life styles such as Sodomy, the sexual revolution that emphasizes "safe sex" as It hands out condoms to our school children, and you can see Christian America as its most valued possession, it's youth, is prepared for the New World Order by Talmudic Zionism.

The psychopoliticians who can be found by droves In our schools and who make up a large percentage of the psychiatrists and psychologists (a disproportionate number who are Jewish), know that our educational programs must seek out levels of youth who will become our future leaders,

and educate them in the animalistic nature of man so that they can be controlled through sex, drugs and music.

These agents of the New World Order believe Christian religion, which is "pure and undefiled" is their greatest enemy and must be destroyed. On page 43, we read: "Religion (Christianity) must be made unfashionable by demonstrating through psychopolitical indoctrination, that the soul of man is non-existent, and that man is an animal".

When young people begin to look on themselves as animals - even superior ones - the animalistic reaction seen in rock concerts can be understood, as these youth are doing what they believe "comes naturally". This produces artificial neuroses in them I

"Artificial neuroses", can be produced by continuously increasing the tension of the "excitatory process". Rock music, not only by its beat, but through the loudness of its music, produces the cumulative, tension producing stimulus in which youth become divorced from reality and are driven into a tremendous, Satanic frenzy which often borders on hysteria. Then by injecting free sex, drugs, and/or alcohol, you have developed a process few young people are strong enough to resist.

Christian youth who attend these concerts, or listen to this music, already have a "built in inhibitory reflex". This has been engrafted by their parents, their church, and their schools. It takes into consideration such things as decent behavior which will prohibit the coed from undressing in public. It will keep a young man from tearing up the auditorium and creating havoc by battling with the police.

However, a clever rock and roll group, can take decent youth, and have them doing indecent things within~0 minutes of a concert. The perverted music of the African jungle beat, dulls the capacity of the mind and creates a hypnotic monotony which blurs the external world and makes it unreal. In many ways it parallels the drug experience.

The every day decent concerns of life are submerged in a rising tide of exaltation, where all things merge with the beat of the music. The lyrics smash any idea of "true love" and supercede it with "mad, savage, passionate sex" and the desires created by peaceful music are replaced with the desire to smash and destroy. No wonder so manv innocent girls lose their virginity at these concerts, when their inner defense mechanisms have been thrown completely out of kilter and they find themselves in a hypnotic state where they can easily be led by the worst in them. The rock musicians and the music writers, glory in their ability to destroy vulnerable youth. In their own foolish eyes, it gives them a "god like" quality they revere. The Apostle Paul says of them in Romans 1:22 - "Professing themselves to be wise, they became fools".

In my estimation, there are few battle plans being used by the enemies' of Christianity, which are more effective than this attack against our youth. Remember the enemy adage: "Destroy one generation of your youth, and we can destroy you!"

A few years ago a First Grade Teacher's handbook was Introduced into the Texas school system by a radical Jewish child psychologist named Paul Brandwein. In the first paragraph he said something like this: "Your most important task as a teacher, Is to realize that all children come to school with sick minds. It is your job to tear down the erroneous ideas that the child has learned in its home and church. When you have done this, you begin to build the foundation for the international children of the future". Let's put it another way and say: "The international slaves of the New World Order".

Fortunately two fighters for decency, from Texas, a husband and wife team, Mel and Norma Gabler, created enough of a backlash, this book was kept out of the Texas education system.

American educators have openly admitted their major concern was "people control", rather than education. Rock music is a potent weapon in the control of our youth, and if you will make an honest research, you will have to admit that this is part of the Zionist New World Order Conspiracy to enslave all mankind.in spirit and in truth?

In the Protocols of the Learned Elders of Zion, written near the beginning of the Twentieth Century and proclaimed by the Jewish world, and their Christian stooges as being "counterfeit", (note that in order to have a counterfeit, you must first have an original, and the counterfeit is made as close to the original as possible in order to fool people. If these "Protocols" are counterfeit, the Zionist Movement has been following them like a "blueprint" for over eighty years), in Protocol XIII, we read: "In order to distant people who may be troublesome from discussion of the political... in order that the masses may not guess what we are about. We will further distant them with amusements, games, pastimes, passions, people's palaces (whorehouses) . . . so we will begin through the press to propose competition In all arts, in sports of all kinds . . . these Interests will distant their minds from questions in which we would find ourselves compelled to oppose them".

Think about this statement for a moment - forgery or not! Since World War II America has been obsessed by sports, and with the push to bring the minorities into the picture, all team sports today are made up of at least 75% non-white players.

When we see two men in a boxing ring, being paid $25-million to beat each other into a bloody pulp, and where most of the spectators are White, we see that we are not very far beyond the blood thirsty days of the Roman arena, when Christians were fed to the lions. In 1902, Israel Cohen a Jewish communist, wrote in a book concerning communist plans for America: "We (Jewish communists) will elevate the Negro to positions in the entertainment world and sports, to where they are making so much money, they can easily inter-marry with Whites. Once this has happened, we can direct the destruction of our greatest enemies, White Christians.

When a city like New Orleans, which is on the verge of bankruptcy, will spend a $100-million on a heathen celebration like Mardi Gras (even though it is blessed by the Roman Catholic church), which allows the so-called Christians to "let their hair down and live like the devil in public", before the days of fasting preceding Lent, and the fundamental Christian world goes along with it with scarcely a whimper of protest, you know something is sadly wrong with Christian America.

When you see Christian parents subsidize their "Little darlings" by buying them sound equipment and allowing them to listen to the Satanic music of rock and roll, you know something is distinctly wrong with Christian America.

While it is almost impossible to get 100 young people to attend a seminar where they can learn the truth about the problems they are facing, music promoters have no trouble getting 50,000 screaming lunatics to pay $25.00 apiece to listen to the "devil's advocates". "Folks, wake up! **YOU KNOW SOMETHING IS WRONG!"**

Who is behind the corruption in sports and music?

Henry Ford, Sr. analyzed this problem as early as 1922, and it is more to the point today than at that time. He said: "To begin with, Jews are not sportsmen. This is not set down as a complaint against them, merely as an analysis... Yet the bane of American sports is the presence of a certain type of Jew, not as a participant, but as an exploiter and corrupter . . . The entire story of professional wrestling, for instance, is not only in the demoralization of the sport, but in the wholesale defrauding of the public". (If you don't believe this, watch professional wrestling on TV some night and see the absolute hoax of the sport). "The same is true of horse racing. The whole atmosphere of this sport is dishonest. The horses are the only well-bred creatures connected with it.

"The Jews saw in sports, money, while the sportsman saw fun and skill. The Jew set out to capitalize and commercialize contestant zeal. If the Jews of America are ashamed of this, they should repudiate those Jews who have been instrumental in destroying our cleanest and most manly sports." The same can be said of the world of modern music, which is almost 100% under Jewish control.

Remember, I'm not responsible for Jewish subversion. They are not, no matter how our pastors try and whitewash them by calling them God's Chosen. Jesus repudiated this in Matthew 23:15, when

He told the Jewish leaders: ". . . ye compass (go over) sea and land to make one proselyte (convert), and when he is made, you make him two-fold more a child of hell than yourselves". You Christian pastors who subsidize these antiChrists, beware!

Adlous Huxley "hit the nail on the head" when he said: Never before have so few been in a position to make fools, maniacs, or criminals of so many".

The primitive rhythms of a Stone Age tribe in Central Africa and a rock band in New York City, can produce a trance like emotion which leads to spiritual and physical disaster.

Why are teenagers in particular attracted to rock music? The music is loud, you can't get away from that I fact, it has been proven to cause hearing defects. It is primitive and insensitive, appealing to the newly acquired sexual urges of youth. Mix this with contagious hysteria, mass hypnosis, and throw in some drugs and/or alcohol and you gain the blissful feeling that you are e lord of the universe, and that nothing can touch you. us is why kids scream, faint, gyrate and look in general e the heathen savages who are performing musical x on the stage. It has the impact of unholy bedlam, an orgy for teenagers. It was planned to turn them into controllable savages.

When the communists were in full control of the U.S.S.R (they still are, but under a different name), rock music was forbidden, for the authorities knew that this could backfire. When the authorities said **"NO!"** to rock music, juvenile delinquency fell by 34.8% in three years. Along with this, incidents of VD among Russian youth dropped dramatically. The communists took great sat-action in pointing to the rock culture in the West, and calling it by it's proper name, "degeneracy".

Then came so-called Democracy and modern rock music was allowed in the country, with the result that juvenile delinquency and the resulting venereal diseases have skyrocketed too, just as they did in the nations of Christendom.

In a letter to the office of Economic Opportunity, a few years ago, a Mr. Stahlcup protested the use of federal anti-poverty funds for the development of rock groups among the minorities. He gave the following reasons, which it would be well for Christian parents and pastors to ponder:

(1) Why do we have teenage and college student riots at summer resorts, which originate in the resort "rock 'n roll" dance halls?

(2) Why has the illegitimate birth rate soared by more than 250% since rock and roll and primitive sex-stimulating dancing has been allowed?

(3) Why has the VD rate soared among teenagers, in spite of the wonder drugs now available?

(4) Why has suicide among teenagers and college youth soared since rock and roll came on the scene?

(5) Why have some concerned high schools banned rock music, in spite of cries of "foul" by such groups as the A.C.L.U.?

(6) Why have some popular hotels in big cities banned all rock and roll groups, regardless of their reputation from staying in their hotels?

(7) Why have top law enforcement officials asked city officials to ban rock concerts in their area?

(8) Why have many responsible civic groups abolished all sponsorship of

rock groups?

(9) Can you find a single qualified psychologist who will say this music is not harmful?

Our young people are desperately searching for something, and they are for the most part not finding it in the churches of the land, so they look elsewhere and find rock because it is a cheap way to fulfill their emotional needs - even if these are "low emotion."

Famous musicians such as Dimnitri Timkin, have said: "The big beat is deliberately aimed at exciting the listener. There is actually very little melody to it, or little sense in the lyrics, only rhythm".

Are we reverting to savagery, both In music and dress In America? Look at the youth who appear on TV and see what they prefer. See the so-called stars who they try and emulate. You will find most of these musicians, even in the field of religious rock, to be long-haired, filthy looking, savage acting "creeps", who decent people, even young people would shun under normal circumstances.

I have often wondered what kind of attraction a filthy dressed, unbathed looking, feminine appearing, weird looking young man with greasy hair to his waist, could have on a lovely young woman, who under normal circumstances would not be seen dead with him.

The communists soon learned that it was impossible to obtain decent people's cooperation in creating the "new man slave" they anticipated for their New World Order. So they set out to force compliance with their degeneracy.

Going back again to **PSYCHOPOLITICS**, Chapter IV, we are told: "Obedience is the result of force! Concurrent with force is brutality. The most barbaric, unrestrained, brutal use of force, if carried far enough, will bring about concurrence with any order.

"Any organization which has the spirit and courage to display inhumanity, savageness, brutality and an uncompromising lack of humanity will be obeyed.

"If you would have obedience, you must have no compromise with humanity. If you would have obedience, it must be clearly understood that you will have no mercy. Man is an animal. He understands only the things a brute understands".

While to most decent people, especially Christians, this seems horrifying, to the New World Order concept it has become Standard Operating Procedure. This is why decent Christians have been "brainwashed" or "mentally beaten into submission" to where they will accept the murder of 2 million unborn babies a year, under the idiotic slogan "The woman has the right to decide what she will do with her own body".

This is why Christians turn a deaf ear to injustices by our government, such as the Ruby Creek Massacre in Idaho in 1992, where government agents, trespassing illegally on a man's property, murdered his 14 year old son, and his wife, as she held a ten months old baby in her arms. Where were the cries of anger from the church crowd? They were sadly lacking, because this man and his family were not "politically or religiously correct". Therefore in the eyes of decent (?) folks, they had no rights!

Then in Waco, Texas, these same government "goons", who remind us so much of the communist KGB, went into the compound of the Davidians, guns blazing, throwing grenades, to serve a warrant for illegal possession of firearms. They could have served this warrant successfully and peacefully on many occasions. But were they really interested in illegal firearms? If they were, ask yourself why there have been no big government operations against the Black, Hispanic, and Asiatic gangs who infest our big cities, killing hundreds of people and holding millions in fear? There has been no such operation, which points up to the utter hypocrisy of government agents at Waco.

So what steps are necessary for big government to bring its people into compliance with the slavery of the New World Order? It is quite simplel Brow beat the populace, terrorize them with a show of police force. For who knows who will be the next victim? Will it be those who know and believe in their Second Amendment right to "keep and bear arms?" Very possibly, for the New

World Order cannot succeed, as long as Patriotic Americans remain armed. Will it be Christian Patriots who refuse to bow the knee to the Baa! of the New World Order? Will it be members of Christian Identity churches, who refuse to accept the falsehood of Judeo-Christianity? Will it be Klansmen? or Neo-Nazis? or you?

In the media hype, we hear a great deal about "anti-Semitic" violence and "anti-Semitic" acts. But the Jew controlled media never points out the fact that FBI statistics show Jewish terrorist organizations such as the Jewish Defense League, commit outrageous acts of terrorism at a ratio of nine to one to those committed by the anti-Semites.

So in order for the New World Order to control our youth, they must demand unquestioned obedience from them. How is this accomplished? In dealing with youth, an outward show of force and brutality would be counterproductive. So they must gain control of youthful minds through some other technique. This is where sex, drugs, and music is used so successfully.

Jerry Rubin, the Jewish communist radical of the Vietnam War days said that: "Hard rock energy surged through us in driving rhythm, arousing repressed passions".

This could be seen in the radicals of those days who would go through any tasteless, vulgar, savage action, to gain control over the minds of their fellows.

It is a known fact, proved by 60 centuries of written history, that great Civilizations and animal behavior cannot go hand in hand.

A careful study of the lyrics of hard rock makes it immediately recognizable, that the purpose is not to uplift youth, but to degrade them. The lower they sink, the better. Then throw in sexual perverts like Madonna and the Prince and you have trouble!

Do you honestly believe that rock songs with titles such as **LET'S SPEND THE NIGHT TOGETHER; SOCK IT TO ME BABY,** and many others which are worse, are for the purpose of making better people out of our youth. Don't be completely naive!

Perhaps one of our biggest problems is Covered in a statement made by T. S. Eliot, when he observed: "The world is trying the experiment of attempting to found a civilized world without a Christian mentality". Folks, it can't be done! Any attempt to operate without taking God into Consideration, is bound to fail, and "great will be the fall thereof !"

When rock leaders state: "Since kids are going to blow their minds anyway. Let them groove and do their thing! Let them ball on the grass in the open. I dig watching people f . . . k". This is the same kind of mentality that destroyed the world at the time of Noah, and the cities of Sodom and Gomorrah.

Then add to this warped mentality, the philosophy of musicians who state: "Our music turns the chicks on, first they listen, then they smoke pot, then they jump into bed". Then we wonder why this type of thinking, plus the abnormality found in the sin of Sodomy, has brought a curse like AID's to plague us. Folks "we ain't seen nothin' yet". (Study Deut. 28).

Anyone with an ounce of Common sense knows that mind altering drugs are dangerous, even when they are administered under a doctor's care. Visualize then, if you can, the danger of shooting heroin directly into the blood stream, usually using an unsterilized needle. But sanitation is but a small part of the problem. These drugs work on a person's mental balance, often producing hallucinations and psychotic effects. Repeated use brings dependence on the drug, and withdrawal, when possible, is extremely long, painful, and rarely successful.

Drugs, taken to escape from reality and mixed with rock music, which is used for the same purpose,

is extremely dangerous. There is no such thing as a harmless drug, for relatively mild drugs such as marijuana, almost without fail, lead to hard drugs such as heroin, cocaine and their derivatives. These effect the nervous system so that a driver can barrel down the highway at 80 mph, when he believes he is going a sedate 40; run through a red light which he believes is green, and crash headlong into a loaded car, killing innocent lives.

In most accidents of this type, it has been found that the car radio was tuned to its highest volume on a rock station, adding to the confusion of the driver.

There is no nation which can long survive, when it's most precious asset, it's boys and girls, are wallowing in a sea of sinful degradation, caused when their morals have been destroyed by drugs and music.

Maybe this was what the communists had in mind when they stated over fifty years ago "We will never have to fight you, for you will become so rotten within, that you will fall into our laps like overripe fruit".

As a Christian, you need to study the history of our Israel people (not Jews) in the Old Testament. You will find that the heathen nations, along with Israel and Judah (they are not the same), went into captivity and destruction because of their utter disregard for God's Law. This always resulted in abnormal, animalistic morals. The Canannites, who both Judah and Israel loved to copy, wallowed in phallic (sexual) worship and their worship services ended in compete sexual debauchery. In Isaiah 57:4-5, we read: ". . . are ye (Israel) not children of transgression (racial mixing), a seed of falsehood, inflaming yourselves with idols under every green tree, slaying the children in the valley.. .?" Then in Jeremiah 3:6- Hast thou seen that which backsliding Israel hath done? she is gone up upon every high mountain and there hath played the harlot". Today America, and all the lands of White Christianity, called Christendom, are exhibiting the worst characteristics of a common whore.

In every great civilization which has existed since written history began, about 60 centuries ago, they have destroyed themselves by doing four things:

(1) Refusing to obey God's Law;
(2) Rank immorality;
(3) Miscegenation (inter-racial marriage); and,
(4) Sodomy.

These things have destroyed all of them!

Yet today, even in the so-called Christian world, we see the repetition of Judges 21:25 where "Every man did that which was right in his own eyes". Or in modern terminology, he was just "doing his own thing!"

In spite of what Bible critics say, sex in the Bible is never considered as being dirty, when practiced within scriptural guidelines. in fact, it is probably the most beautiful natural act which can be committed between man and woman, for it foreshadows the love Christ had for His church. (By this, I mean the "ecclesia", the "called out, born-again ones"). Ephesians 5:25 puts it this way: "Husbands love your wives, even as Christ loved the church and gave Himself for it".

The New Morality we see in 1993, as practiced by the "rock culture", is merely a throwback to the evil which has destroyed people for centuries. Young people, why allow yourselves to become "dupes" of evil men who seek to destroy your life now, by making you slaves to their evil desires, and by destroying you for eternity?

The constant drum beat of rock music, the repetition of words over and over again, as in one Beatle's number which lasts for a minute and 45 seconds, repeating over and over again the nauseous words: "Why don't we do it in the road? No one is watching. Why don't we do it in the

road"? should show without the shadow of doubt, that number was not designed to better anyone.

Modern rock has become a heathen, phallic religion to millions of American youth, including thousands who come from Christian families. it has reached the point where even some religious leaders say: "it's sensible to live together before marriage. (trial marriages they are sometimes called) If they want a kid, it's okay." And now, of course if one comes along that they don't want, they can legally murder it by abortion. I tell you young people, God will hold both the mother and father to account for these monstrous sins, regardless of what political or religious leaders say to the contrary.

To show you how modern rock stars feel about Christianity, let me quote from one of the most famous of the Beatles. John McCarthy, in an interview with **PLAYBOY MAGAZINE,** Feb.1965, said: "We probably seem to be anti-religious because none of us believe in God. But we are not anti-Christ, only anti-Pope and anti-Christian". (He did not explain how you can be anti-Christian and not against Christ).

John Lennon, another of the Beatles portrayed Christ by describing Him as "a garlic eating, stinking, little yellow greaser, fascist bastard, Catholic Spaniard".

Referring to Jesus love life, about which we have no description in Scripture, he said: "Whistling a quaint Spanish refrain, Jesus was dreaming of His beloved wombs back home in their little fascist bastard huts".

Maybe it was his overriding hatred of Christianity and his monstrous ego, which prompted him to say: "Christianity will go! We are more popular now than Jesus! Christianity will vanish and shrink. I don't have to argue about that and I will be proved right! We are more popular now than Christ". But since when was "popular being right"? It never has been and never will be, and Jesus knew this when He said that He would be hated of men, and that you who follow Him would feel this hatred.

An Interview with John Lennon by the Washington Post, showed that he was Influenced into becoming an atheist (he was a member of the Church of England, a liberal denomination) by the Jewish author, Hugh Schonfield, who wrote a novel in which he stated that Christ never died on the cross, and that His resurrection was a hoax.

It was impressions of Christ, given by such apostates as the Beatles, which caused Jesus to be pictured by the sub-culture hippies as a "dirty, long-haired, beatnik revolutionary" wanted by the Roman government for sedition. This was the Jewish lie that resulted in Christ's crucifixion).

That the lyrics of rock stir up violence against legal authority is certain. In fact, some songs put out recently by Black militant rock musicians, call for the murder of police. They have become so bad that even some "hard rock" stations have refused to play them, and they have been banned from music stores.

Yet these records sell by the hundreds of thousands, and the more violent they become, the more our conditioned youth seem to enjoy them.

This is not ordinary reaction for a normal American youth, but is something which must be ingrafted in their thinking through "thought control" methods.

Many times this comes through something called "subliminal thought control", such as can be seen on TV, where the victim does not even realize they are being manipulated.

Again referring to **PSYCHOPOLITICS,** we read on page 32- "The psychopolitical operator has no interest in therapeutic means or cures. (In other words, he is not interested in curing people). The greater number of insane (disturbed minds) in the country where he operates, the greater number of the populace will come under his control, and the greater will become his influence. Because the problem is apparently mounting Into uncontrollable heights, he can more and more operate in an atmosphere of emergency, which will again excuse use of such treatments as electric shock, prefrontal lobotomy, trans-orbital leucotomy, and other operations long practiced In Russia on

political prisoners'.

Do not be so naive as to believe that this happens only In Russia, as it is being used in the U.S. today, In such places as the U.S. Mental Hospital in Springfield, Missouri, where terrifying experimentation is now being performed on live Americans. This experimentation often turns them into "human vegetables". (All in the name of science, of course!

It is a well-known fact that most of the important government leaders have their own personal psychologist, (most of whom are Jews). These are often psychopolitical operatives, who help keep government leaders under the control of those they serve, the masters of the New World Order, be they called CFR, Trilateralists, International Bankers, or Bilderbergers.

The psychopolitical operator is in full agreement with the rock musical manipulator, when he states: "Sex, In all animals (remember they think of you as an animal), is a powerful motivator, and the occasioning of sexual liaison between females of a target (put White Christians here) family, and indicated males (put Black "studs" here) under the Control of the operative, must be demonstrated to be possible with complete security to the psychopolitical operator"

Occasionally when one is "caught in the act", he usually gets off with a mild "tap on the wrist", or a light sentence and is soon paroled and returned to continue his nefarious business. The media is always quick to drop the subject. This gives the operative an excellent weapon for the breaking down of familiar relations and consequences public disgrace for the psychopolitical target.

"Just as you can train a dog, so you can train a man. Sexual lust, masochism and other perversions can be induced through pain-neuroses and benefit our final ends".

Here is where the combination of drugs and music play a vital part.

The hopelessness of this music can be seen in the Beatles song **A WORKING CLASS HERO.** One verse says: "Keep you doped with religion and sex and TV; and you think you're so clever, and classless, and free. But you're still 'f... g peasants' as far as I see. A working class hero is something to be!"

Yet such is the perversity of the human heart, which the Bible tells us without God that the "imagination of man's heart is evil from his youth", (Genesis 8:21). So that as music comes ever closer to the "idiot level", the more it is played and the better it sells.

An interesting experiment was performed by a woman who discovered that hard rock music would actually shrivel and kill tender houseplants in less than a month. (Who ever heard of a plant that could hear?) Yet it is a proven fact, that loud, harsh noises, continually listened to will ruin one's sense of hearing. In my case, it came from standing too close to too many big guns during the combat days of WWII and Korea.

So an experiment with plants was set up In the Denver area, where five different plants in each group, were exposed to different music, in a controlled atmosphere. Five petunia plants in one group were exposed to the music of radio station KIMN, which played rock music, while the others were exposed to station KLIR which played classical music.

The petunias exposed to rock refused to bloom, while the others had beautiful blossoms. Those exposed to rock leaned away from the sound and soon began to wither and die, while those exposed to the classical music sounds did beautifully. Could this also be true of tender ears and human minds?

One of the Complaints the Apostle Paul had against behavior such as that shown by the rock culture, can be found in Rom. 1:18-32. Listen closely to his words, and try and apply them to what is happening to our youth:

"For the wrath of God (something we hear little of in most modern churches) is revealed from heaven against all ungodliness and unrighteousness of men who hold the truth in unrighteousness". (We are told in Gen. 8:21, that the "imagination of man's heart is evil from his youth"). Vs. 19-

"Because that which may be known of God is manifest (revealed) in them; for God hath shown it unto them." Vs. 20 - "For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse". Vs. 21 - "Because (for this reason), when they knew God, they glorified Him not as God; but became vain in their imaginations, and their foolish hearts were darkened" **(NOTE CLOSELY VS. 22)** - "Professing themselves to be wise, they became fools". Vs. 23 - "And changed the glory of God into an image (idols), like to corrupted man, and to birds, and four-footed beasts, and creeping things". Vs. 24 - "Wherefore (because of this) God gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves". Vs. 26 - "For this cause, God gave them (surrendered) them up unto vile affections (lusts); for even their women did change the natural use into that which is against nature (homosexuality is not an "alternate lifestyle" it is against the very laws of nature itself), and likewise also the men, leaving the natural use of the women, burned in their lust one towards another: men with men, working that which is unseemly (indecent) and receiving in themselves the recompense of their error (sin - AIDS?) which was meet Oust)". Vs. 28 - "And even as they did not like to retain (keep) God in their knowledge, God gave them over to a reprobate (rejected) mind, to do those things which are not convenient (becoming)". Vs. 32 "Who knowing the judgment of God, that they which commit such things (homosexual acts) are worthy of death, not only do the same, but have pleasure in them that do them". How any Christian can look at this passage and say that homosexuality is not a sin, is beyond me!

But where you find the rock culture, there homosexuality will always abound, and where there is homosexuality, the evil of rock music will always be prevalent.

There is only one way this awful state can be corrected and that is through repentance of this sin, and the forgiveness of God which can only come through the shed blood of Jesus Christ.

There will be no homosexuals in God's Kingdom, you can be sure of that, and I sincerely doubt that any rockers will make it. There will be "ex-sodomites:" and "ex-rockers" but only as they accept Christ's mercy for forgiveness of their disobedience. The Apostle Paul speaks of this in 1 Cor. 6:9, where he says: "Know ye not that the unrighteous shall not inherit the Kingdom of God? Be not deceived! (fooled): neither fornicators, nor idolaters, nor adulterers, nor effeminate (men who wear women's clothes), nor abusers of themselves with mankind, nor thieves, nor covetous (those who put material things before God), nor revilers, nor extortioners, shall inherit the kingdom of God".

But "thank God", he goes onto say in Vs. 11 - "And such were some of you, but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God". (**AMEN!** For I was part of those named before I made Christ my King!)

Teenagers can be reached with the message of God's love, if it is presented to them In the proper manner, but they want **LOVE**, not **LUV!** It will never come about through the use of Satanic means such as "religious rock". Christians are admonished that they must not do evil, in order to produce good results!

Young people throughout Christendom in particular are looking for an answer to their spiritual and moral needs, and the church for the most part has fallen terribly short of answering these needs. When they say: "We are trying to find ourselves!" they really mean this. It is a cry for help which we **MUST** answer, or court disaster for this country. The refusal to answer this need will bring a penalty too terrible to contemplate!

We know from Scripture that Christ came to save His people (who were not Jews, by the way) from their sins. He said so Himself and very few young people need much convincing that they need a good spiritual cleansing. They yearn for it in spite of the hard crusty appearance they put on for public show. They are not as tough as they look and are often marshmallows at heart, waiting for someone with love and understanding to help them.

Most people, including youth, have an inordinate fear of death. This is because, even though they

may not know God's Law, they have an understanding in their hearts that "the wages of sin is death". This is especially true to White youth from the Israel nations, for according to scripture, under the New Covenant which Christ sealed at Calvary, God's Law is engrafted in their hearts and though they may never have attended church, or read the Bible, they instinctively know this.

But when White teenagers learn the unadulterated truth, that Christ came especially to save them, because they are His kinsmen, and that He became the "kinsman redeemer" for them, according to God's Law, then for the first time they realize that they are "set aside for a special purpose". (See 1 Peter 2:9). When they realize this, there is no power on earth or in hell that will keep them from the love of God, as shown in Christ Jesus.

When they reach this point in their spiritual life, then "the things of this world will grow strangely dim, in the light of His glory and grace". Then and only then will they be delivered from the bondage of evil men who seek to destroy them. Then and only then will their minds be washed free of the "cheap filth"' of the world, which evokes riotous feelings and Incites rebellion against everything that is good. When they are "filled with the God Spirit," there is no room for Satan or any of his cohorts.

This is one of the major reasons the world order seeks to entice our youth with slogans such as "You only go around once in life; so live with gusto!" These slogans are designed to enslave, not set free! For no one is more a slave, than one who is enslaved by sin and it's slavemaster.

During the heights of the Civil Rights Movement, the song **WE SHALL OVERCOME!** was made popular by the Dr. Martin Luther King, Jr., the siren of communism among the Blacks of America. It was sung wherever he went in Black and White churches alike. Yet Christian people of both races, were not told that its composer, Pete Seeger, was an open and avowed communist, dedicated to the destruction of freedom in America and the Christian religion. They were not told that **WE SHALL OVERCOME** was made popular through the efforts of the pro-communist Highlander Folk School in Mounteagle, Tennessee, and that it was Fidel Castro's official revolutionary slogan in Cuba.

While the Walther League of the Missouri District of the Lutheran church, at St. Paul's College, Concordia, Missouri, accepted Seeger's Christian testimony in 1965, his un-godly life style never changed and his affiliation with anti-Christ communism never changed. I sincerely doubt that a man like that, who backed these anti-Christ causes, could ever be a "born again Christian", no matter what his testimony may have been, "For by their fruits shall ye know them".

The degeneracy In the Lutheran church from the standards of it's founder, the Reformer, Martin Luther, has become so pronounced, that his books warning of Jewish subversion In the church, are no longer allowed in Lutheran church libraries, and when you see church officials, calling musicians such as Seeger and Joan Baez, "Pop prophets of the church", you realize just how far the church has fallen into subversion. What can we expect but degeneracy from our youth, when church officials sanction unrighteousness?

All through the Old Testament, prophets warned against pastors who led their flock astray. In Jeremiah 23:22, we are told that if the pastor would preach the "whole counsel" of God's Word, the people would turn from their wicked ways. Since this has not happened in America, we can honestly say that something is frighteningly wrong with our churches.

When any church feels it must use worldly methods, such as Christian rock, dances, etc., to entice young people to attend, something is drastically wrong with that church.

Bob Dylan, another rock singer who was popular during the Vietnam War, wrote **LIFE'S EULOGY** which was in defense of the unwashed, long-haired, filthy mouthed hippies of that era, he said:

> "Come mothers and fathers throughout the land, Don't criticize what you don't understand.

Your sons and your daughters are beyond your command,
Your old rules are rapidly aging.
Please put out a new one if you can't lend a hand;
For the times they are achanging!"

These music hucksters have set out to destroy parental and church authority, and love between children and parents is not a thing of the past, as these "mental child molesters" have opened a new can of worms to control and destroy your boys and girls.

Although it is considered by many to be raciest to condemn Dr. Martin Luther King, Jr., of anything, some liberal churchmen even go so far as to call him the "voice of God", although he denied the Virgin birth of our Lord, and questioned whether He really was raised from the dead. During his most famous march on Selma, Alabama, the marchers were promised in his name: "Ten dollars a day, free board and room, and all the sex they wanted with members of either race". Both Black and White marchers invaded a Black church in Montgomery and engaged in an all-night session of debauchery in the church sanctuary.

Seventy-five of the marchers picketed the home of Gov. George Wallace, and at a given signal rose and urinated on the lawn". Not much to say for the Christian aspects of King's Movement.

Whether you want to accept it or not, the enemy has made big and dangerous inroads into the Black community of America and are using their impressionable and easily stirred up youth, through drugs, sex, and the jungle music of their African ancestors, to destroy White Christian civilization which for the most part has been a blessing to Black people everywhere.

On making a statement such as this, immediately someone will bring up the issue of slavery, which has been a major blot on the history of America,aid an albatross around our necks for generations, ever since the first Black slave landed on American soil.

But the truth, no matter how disagreeable it may be to some, and records to prove it are still available in the Boston Public Library, is that nine out of ten of the ships which transported Black slaves to America were Jewish owned, and the rum, which was used by the slave traders, to exchange for Black slaves in Africa, who were sold by their own people, came from the New England distilleries which were owned by Jews.

Are any of my readers naive enough to believe that a White ship crew of a dozen men, could trek hundreds of miles into hostile Africa, and capture and transport hundreds of Black slaves back to the coast? These slaves were brought to the Atlantic ports, by Black chiefs, who sold their own people Into slavery for Jewish made rum. The fantasies made up by men like Alex Haley in his **ROOTS,** notwithstanding.

Many of the Black slaves who were transported to America, were far better off than those who remained behind in Africa, to end up in the cooking pots, or the horrible slavery practiced by Black on Black.

Many of the top Black leaders such as Jesse Jackson, Martin Luther King, Jr., and Andrew Young, would never have existed if their ancestors had remained in Africa. It was White Christian civilization, an earmark of "true Israel" which caused slavery to cease and gave Black people a chance to rise above the squalor of Africa. For in spite of all the efforts to brainwash our people into believing in great Black civilizations of a by gone era, there were none! It was not until the White man arrived, with his message of hope through the religion of Jesus Christ, that Blacks began to move out of the primal ooze of Africa.

Today, America, I believe, is under judgment for the evil we have allowed to fester unattended in our midst. It was not Satan who made us do it, but unprincipled so-called Christian leaders in both the church and politics. These hypocrites fell down on their responsibility to God and man and instead of preaching God's Gospel of the Kingdom, they preached the political, Satanic message of

Socialism.

In Ezekiel 33:31, 32, we read about such a people as this: "And they come unto thee (the preacher) as the people cometh, and they sit before thee (the preacher) as My people (Christian Israel), and they hear thy (the preacher's) words, but they (the church members of the so-called Christian churches) will not do them: for with their mouth they show much love (how they love to get up and pontificate about what Jesus has done for them, see them in all their nauseous hypocrisy on the Trinity Broadcasting Stations), but their heart goeth after coveoutness". (Look at the jewelry, and expensive suits worn by the preachers, the hairdos, makeup and clothes of their wives, which make them look more like "high class whores", than preacher's wives, and you can see the hypocrisy in the church). It is obvious from looking at them, and their expensive surroundings that their heart indeed goes after "coveoutness". Love of material things. This is why they spend so much of their air time on raising money, and cheapening the Gospel by doing it.

Vs. 32 says of the people, ". . . they hear thy words, but they will not do them

In Jeremiah 5:30 we are told: "A horrible and wonderful thing is committed in the land; The prophets (pastors) prophesy (preach) falsely, and the priests (the political rulers) bear rule by their means: and My people love to have it so; and what will ye do in the end thereof?" What can you do for a people who desire to be fooled, and who would rather hear pleasant lies, than unpleasant truth? There's not much you can do except pray for them.

If there are fifty million "born again" Christians in America, as we are told, then why are we headed for hell faster than at any time in our history? Why has sodomy, drugs, pornography, murder of the unborn, and ungodly music been condoned by a so-called Christian nation?

Have White Christians (and I use this designation because they are in the majority) become the "salt" Jesus mentioned in Matt. 5:13, which has lost it's "savor" (it's ability to act as salt and hold back corruption)?

So let's spend a few minutes as we look at the moral scene as it appears In America in 1993.

Many churches doubt that ghastly Satanic rites, including ceremonial murder exists in this country. But they dol The police in most large cities know it and some admit they know that large numbers of small children (most of whom are White) disappear every year, never to be found. The police know these disappearances were not by accident. They know of the pitiful little bodies which are found from time to time, flung on garbage heaps, after the blood has been drained from their bodies.

In the Panhandle of Texas, there have been occult atrocities which have resulted in ritualistic murder and authorities from Amarillo, have uncovered evidences of Satanic activities related to this.

The Satanists even have their own Bible, written by a Satanic High Priest named Anton La Vey. If you were to follow its teachings you would be compelled to violate the Laws of both God and man.

Social killers such as "Son of Sam", Charles Manson, Henry Lee Lucas, and others, openly gloat over their association with Satan.

Richard Ramirez, known as the "nightstalker" was a drifter from Texas, who was a heavy drug user, and into the occult and heavy metal music. By the time he was apprehended he was accused of at least 16 murders, rape, sodomy, burglary, oral copulation and attempted murder. He was obsessed with "heavy metal music", and following his conviction, while still in the courtroom, he screamed for all to hear, **"HAIL SATAN!"**

Shocking as all this may be to naive Christians, I am only scratching the surface and could be convicted of pornography of the most vile sort, if I even attempted to portray what happens among these demented youth.

Young people are "hooked" by the allure of the occult and rock music, which go hand in hand, and which almost without fail leads to illicit sex, the use of drugs and complete degeneration. One of the deepest reasons for this, falls on the shoulders of the parents, preachers, and school teachers of the

land. Those who have the major part In molding young malleable minds.

How can we demand decency from youth, when their parents are so busy making a living, that they have little time to spend with their family. There is little or no family supervision and like Topsy, they "just growed!" It was planned this way, my friends!

These children are allowed to go to a church where they hear "religious rock", and no message of salvation or righteousness. Then In the worship service, they listen to a twenty minute message preached by some "good-Lord, good-devil, panty-waisted, sissy-britches" preacher who is afraid to speak the truth for fear that his people will get mad and leave the church. He would never condemn doing "what comes naturally" for his church youth and then he will tell his youth, if you both love God, it's okay for Black and White to marry, ala Billy Graham and contrary to God's Word.

Then this same teenager goes to school, where he or she is taught that there is no such thing as "right" and wrong",that there are only "shades of gray," and that what you do depends on the situation you are in. "Situation Ethics" it is called! Then to complete their confusion, they are given a "how to course" In Sex Education where they are told the benefits of "safe sex," after which the teacher hands out condoms, and they wonder why the illegitimate birthrate has soared.

Recently a Jewish rabbi in New York City, stated that as young people were going to experiment sexually regardless of what anyone said to the contrary, he suggested they set aside "sex rooms" in the school, where they could have sex under sanitary conditions. (More evidence of the Talmudic "mind set" of Jewry).

With all these things taking place, why should we wonder when we see our youth "taking the easy road to hell?"

Satan doesn't want you to believe he exists, or that his worship is now a "way of life"to countless thousands in America. I will admit, that the average picture of Satan which has been preached in most of our churches, Is so far from the truth as to be almost absurd. He is not all powerful like God; he Is not omniscient, or omnipresent, and many Christians give him power which he does not possess. But he is a force to be reckoned with, just as he was In the life of Jesus, who set him back like a whipped cur, "with his tail between his legs".

Satanists are often the first to scoff at their existence, for it is much easier for them to ply their nefarious trade, if gullible Christians refuse to believe they exist. But if you are intelligent enough to understand plain English, I dare you to listen to the lyrics of "hard rock" and then tell me that these deviates do not worship Satan.

God is calling America to repentance, from the President and his wife, to his Cabinet, to Congress, to our State Legislatures, to our City and Country officials. He Is calling America's preachers to proclaim all of His Word, not just those parts the people love to hear that make them feel good.

He Is calling America's parents to repentance, especially those who dare go by the name of Christian. He is telling them in no uncertain terms that they **MUST** be responsible **FOR** their children not **TO** them, and that they should "bring up their children in the nurture and admonition of the Lord".

He is calling America's youth, (the most important segment of American society) to repentance. He is saying to them: "Let no man despise your youth; but be thou an example of the believers, in word, in conversation, In charity (love), In spirit, In faith, in purity." (1 Tim. 4:12)

Listen to me young people, you are important in God's plan of things and when you compromise God's standards, you grieve the Holy Spirit. When this happens, you will be more willing to listen to the spirit of the anti-Christ, than that of God. When you allow yourselves to be overwhelmed with the loudness of "rock music" you cannot at the same time listen to the Spirit of God.

You will not be able to honor God, when you literally worship your rock idols. Even in Christian rock, the "music ministers" entertain, they do not minister. You can't minister that which comes from

an evil source and expect God's blessing.

You music ministers in the Christian churches of America, God is calling you to repentance, for all too often you have become the ambassador of the adversary and you live in sin, when you compromise God's standards for any reason. When you become so overwhelmed with your musical ability, that you allow the world to control it, you need to repent!

Unless America repents, especially the White Christian majority of America, the consequences are too horrible to even contemplate for God will not hold American Christians guiltless, even those who are really "born again".

How stupid we have become, when we believe we can't worship God in music, without a band, the clashing of cymbals, and the whooping and hollering that is the sign of heathen Africanization.

Enough of this ungodly loudness! Enough of the empty shouting and clapping! How I loath the hypocrisy of a music minister who in the midst of his worldly music, stops to declaim: "Everyone give a clap for Jesus!" Your hands are full of the stinking garbage of the world, so how can you worship Him in spirit and in truth?

DEATH OF A NATION

My advice to all of you who use God's "love and mercy"to put our church people to sleep is "Repent, or ye shall all likewise perish!"

God's Spirit is calling us to end the stage shows and dramas in His house of worship. His sword has been drawn, and soon it will be wet with the blood of the unrighteous hypocrites who have made a mockery of Him in the name of Christianity.

How can we reach men and women for Christ, when instead of "evangelization", we see "evangossip". They sing lies such as: **THIS WORLD IS NOT MY HOME, I'M JUST APASSIN' THROUGH,** as they get men and women, boys and girls to compromise with evil. They seem to completely forget Christ said we were to pray: "Thy kingdom come, Thy will be done, **IN EARTH** as it is in heaven". No wonder we aren't doing much to hold back evil!

We hear so-called Christians as they sing **ONWARD CHRISTIAN SOLDIERS, MARCHING AS TO WAR**, when they don't even know there is a war going on, and when at the first sign of physical conflict, they retire to their spiritual foxholes, and spend fruitless hours praying for Christ to Rapture them out of the mess that was caused by their apathy. You can't fight a war hiding in a foxhole, and we are engaged in a "no quarter"' war to the death, against the forces of hell itself, whether you want to admit it or not. in your present state of apathy, you could well become a casualty!

All of you who want to "rock for Jesus" and "burn for Jesus," better repent, for God's wrath is about to be poured out on you as you shout your empty "hallelujahs, praise the Lord, Amens!" (By their fruits, not their loudness, shall ye know them".)

This is the day, when God's truth **MUST** be uppermost in the minds and foremost in our hearts, if we are to be victorious! Stay clear of compromise, as you would the plague! Take the sword of the Spirit and strike for the' glory of God for we are at WAR! Take the enemy into the spiritual realm, where the Sword of the Spirit will hack him into pieces. The enemy recognizes this danger, that is why he wants us to fight his way, using his methods, on grounds of his choosing. But to do this is to be annihilated!

I believe God wants us to exalt and worship Him in music. He always has! We are told to "Speak to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord", (Eph. 5:19; Col. 3:16). But we are told in Amos 5:23 - "Take away from me the noise of your songs . . . but let judgment run down as waters, and righteousness as a mighty stream". if we do not do things God's way, He has promised to turn our song into lamentations (Amos 8:10) and just because you claim to be a New Testament Christian, and this was written under the Old

Covenant, don't think it doesn't apply to you, for it does!

I believe the reason most "true Israelites" have an ingrained love for good music, is because God wants us to glorify Him by this means. But you can rest assured, that He does not look with approval on **REGGAE, FUNK, BLUES, ROCK,** or even worldly, country music.

Many of you in the church world have been deceived into believing that dancing around, shouting and clapping and discoing is doing God a service. You have been deceived! You are being used by your selfish, carnal nature, not the Spirit of God. For God's Spirit never does anything in an unseemly manner!

Compose and sing songs which are written according to the leadership of the Holy Spirit. Compare such mighty songs as "Amazing grace, how sweet the sound, that saved a wretch like me. I once was lost, but now I'm found; was blind, but now I see". Compare this grandeur with the little religious ditties which are now considered songs of praise.

Compare "ye chosen seed of Israel's race, ye ransomed from the fall, Hail Him who saved you by His grace, and crown Him Lord of all". Compare this if you dare with your hand clapping, cymbal clashing, drum beating numbers which some of you call "songs of the Spirit". Which spirit, may I ask?

The preceding, in part, was taken from an article which appeared in the No.111 issue of the 1992 Christian newspaper **BATTLE CRY.** It may seem harsh and unloving to some of you "marshmallow-type" Christians, who inhabit many of our modern churches, but as one travels over America, they can see what is happening in our churches, as many of them have turned from being "lighthouses" for the Kingdom message in their community, into sort of glorified religious "Country Clubs", where men and women belong, because it makes them feel respectable. Many others have turned Into "glorified religious honky-tonks" replete with psychadelic lights and rock and roll music. if you put a red light over their door, they would fit into any whorehouse district in the toughest area.

These so-called Christians are taking a marvelous means of glorifying our God and turning it Into a "weak and beggarly element" which brings disgrace to His name.

ROCK AND ROLL CHRISTIANS!

The large crowd of teenagers, and young adults, leaped to their feet, leather jackets and long hair flying in every direction. The air is thick and hot as they whistle, yell and stomp, shaking the entire building. On stage, the band members look at each other with the satisfaction which comes with being idolized.

Suddenly the lead singer turns to the crowd, grabbing the mike, a savage scowl contorts his face which is plastered with sweat and his long hair. He leans back and screams: "Are you ready to **ROCK?"** and hundreds of fists are thrust upwards, as screams of pleasure from the crowd drown out all else.

I said: "Are you ready to **ROCK?"** This is the sound man's cue to crank up the amplifiers to unbearable sound levels. Then with three cross taps of the drum-sticks, a furious torrent of electric noise is released on the crowd, whipping them into an uncontrollable frenzy. For those packed tightly in front of the stage, all else ceases to exist as they enter a stage of amplified ecstacy. They breathe it in; they drink it in; they bathe in the sound as though It was holy water.

Where would you expect this scene to take place? In a seedy night club in some big city? Sure, but not just there. The scene described above is now taking place in thousands of churches in America. What makes them different from the sleazy night clubs. Nothing really, except that the band members and most of the listening crowd claim to be Christians.

From the beginning of the Christian Rock Movement, they have encountered much opposition from both within and without the church. Yet while coming under heavy criticism, they are receiving

much support from the progressive, liberal church leaders. I guess it would be fair to call them the Laodicean church of Rev. 3.

Using loud mouths, bold and surly attitudes, religious rock has managed to infiltrate an ever growing segment of the "body of Christ". They claim their music has a message for all, yet their primary target is teenagers and young adults, over which they wield an extraordinarily strong influence. it is time for those who love God to take a deeper look at the "Jesus Rock Cultists", looking at them through the fiery eye of God's Holy Spirit.

The preceding introduction to **JESUS ROCK** was taken almost verbatim from the No.111 issue of **BATTLE CRY,** 1992.

The information that follows, in part, has been taken from members of this ministry, who have had years of experience in the field of "religious rock and roll". Some were former band members, radio disc jockeys and hippies. Many were involved in the "drug scene". They tasted the pleasures offered by rock. They tasted the poison of rebellion and self-destruction, but were conquered by Jesus Christ, and are now trying to warn His people of the dangers faced by our Christian youth.

I have taken some editorial license, but have been careful not to destroy their meaning. If you want to read the entire article, write to C.M.T.C., P.O. Box 992, Kiamath Fails, OR 97601, and ask for the 1992 issue of **BATTLE CRY,** No.111.1 would suggest that you send a donation to help cover cost of printing and mailing.

ROCK ORIGINS - SOUNDS FROM THE UNDERGROUND!

Before we go deeper into our study of so-called Christian Rock, it might be well for us to take a deeper look at the secular nature of "rock and roll" and see where it came from.

One does not need to be a brilliant historian to trace the roots of rock music back to it's origin. It began to take shape in America in the 1950's, although its immediate roots were in the "blues music of Black America". in the beginning, for the most part It seemed to be giddy, happy music, seemingly innocent enough, although crowds of youth would scream and fall to the floor, when Elvis Presley gyrated and thrust his pelvis at them. Even then, anyone with a teaspoon of common sense, could see that America was in for big trouble.

Those who have been addicted to the real thing, know that rock music stands for rebellion and sin. Everything about It, from the nerve shattering electric guitars to the hypnotizing drum beats, has sprung directly from the loins of men and women who have hated Jesus Christ and His church.

This music was specifically designed to condone everything the Word of God condemns as evil, with more modern strains of "trash metal" and "death rock" being especially evil; if it is possible to give degrees to sin.

All forms of sin are glorified in this ear shattering music and the more violent the better, so that everything from drugs, to witchcraft, to Satanism, to sodomy and murder, to having sex with the dead, is glorified. The day of "drinking a few beers with the boys"is gone forever, as far as our younger generation is concerned.

As long as rock music has been around, the personal lives of those who play it have faithfully reflected the trashy, cheap, self-destructive principles the music swears by. Rock stars have always been self-admitted whore mongers, sodomists, drunks and drug addicts. They glory in this and their devotion to Satan.

The lifestyle and messages of these Satanic deviates, represent the genera! attitude and behavior of America and all of Christendom. in no way, Church approval not withstanding, can it be described as Christian.

Rock music is the music of the "world system" and we know from the Bible that ". . . the whole world (system) lieth in wickedness", (1 John 5:19). This music was created by the ungodly. This

cannot be denied, and these ungodly have only one master, and that is Satan, the "god of this world". In all fairness, we can say that rock and roil, old style or new, was the creation of fallen mankind, under the direction of the adversary. The question we need to ask ourselves is this: "Why under God's name, would professing Christians want to copy this worldly, ungodly form of entertainment?"

THE ORIGIN OF CHRISTIAN ROCK

It might be good to bring some facts to light. There was a time when no music such as rock and roll existed. Then suddenly, it was unleashed as a plague on the music world, as an attack against the moral foundation of our youth, by wicked men and women. Their ultimate motive was the destruction of White Christian civilization.

In the beginning stages of the "rock revolution", Christian America stood solidly opposed to this new "tribal beat," with its sexual suggestive stage antics. At this time of course, there was no such thing as "Christian rock," this came along later, as a more subtle means of destroying Christian youth.

When this Satanic music first arrived on the music scene, the issue was "black and white" and the battle lines were drawn. People knew which side they were on, and almost without fail, the Christian church in America, in the beginning denounced rock and roll, as at best, having an evil influence on our youth, while at worst an attack from hell itself.

At this time "Christian rock" was unheard of, and no one would even dare imagine such a monstrosity.

But times change, as do the attitudes of society, and as Christians began to let their guard down, they were bombarded through audio and visual media, with new forms of entertainment. Many factors, including the rise of television, the growth of Christian liberalism and the sexual/drug revolution of the 1960's, were responsible for transforming rock and roll from just another teenaged aberration, into a multi-billion do' liar goldmine and a national institution, which now yields tremendous influence over a major segment of America's people. In these days of apostacy, it is not unusual for the President of the U.S. to invite these deviates to play in the White House.

What should be obvious, and what needs to be understood by Christian youth of all denominations, is that "Christian rock" is nothing more than an attempt by so-called Christian musicians, to copy that which is a Satanic creation. They say: "It is alright, as long as we use it to glorify Christ." But the Apostle Paul, in Romans 3:8, clearly tells Christians that we **"MUST NOT** do evil that good may come from it!"

While "Christian rock" may seem to be a new music form, it is not! It is the same old Satanic beat, with Jesus' name attached to it!

It seems strange, that the vast majority of our Christian youth cannot see through the sham of "Christian rock", and understand that it is the same evil that was at one time denounced by most Christians.

"Christian rock" has come into existence within the last twenty years. it started out as "contemporary music", with "poppy tunes and happy beats," which are so often found in the music of the charismatic churches.

Since its beginning, it has progressed to the point where every form of secular rock, from "punk" to "heavy metal", and "country rock and rap", have been copied by those who call themselves Christian musicians, as a new form of praise has been presented to the church, as though coming from God Himself.

Another question needs to be asked: "What makes rock and roll, really roil?" How does one go

about identifying rock music? By the way it sounds, of course! If you were to separate the lyrics from the music, and read them by themselves, you might get the idea that you were reading a batch of bad poetry. You can't recognize rock music from it's lyrics I But you could listen to the music, without the lyrics, and know immediately that you were listening to rock. As they say on the rock scene: "The beat goes on!" The words change, or can even be omitted, but the beat is still "rock".

Rock music is not now, and never has been "neutral". It Is sensual, sexual, and Infuses the mind of those who, listen to it, with rebellion against all that is decent. It was planned to do just that.

All music has the power to effect the mind, the will and the emotions of human kind. Music can calm and soothe, or it can irritate and infuriate. It can put you to sleep, or make you want to go to war. Ask anyone who have ever been at a rock concert and has experienced being "grabbed" by the intense amplified energy of live rock. The listeners are often whipped into a violent frenzy by hearing "heavy metal". it wasn't the words that did it, but the violence which the music carries in itself. This is why we so often see violent riots at rock concerts.

Even if this music is "neutral" and has no effect other than being a vehicle to carry the gospel, why would Christians use such an openly, Satanic style of music to glorify their God?

If it is true that only the words are important, as many defenders of Christian rock aver, then why would Christians want to associate with that which has been created by ungodly men to deny Christ? Remember, "Christian rock" was not created by those who love God, but by those who hate Him! Why do so-called Christian musicians insist on copying the methods of the worldly bands, even down to their dress, hairdoes, and actions? "By their fruits shall ye know them!"

CONFESSIONS OF A JESUS ROCKER!

The latest release from the new Christian rock band **DIE HAPPY!** Is potent stuff. It contains the same kind of music that excites our youth when they listen to "heavy metal".

The title track **DIE HAPPY,** keeps things at an intense level, while the tune rockets along like Megadeth at their very best. The haunting sound of "real" is as full and compelling as the current metallic **ENTER SANDMAN!**

CELEBRATION is the best cut on the album. This melodic blues "rocker" could fit right into a Jaguar or White snake album. it is a classic form of "get-go".

In the song **SILVER CLOUD**, the band sounds like **LED ZEPPLIN LIVE**, with a six minute artistic instrumental which sounds like what was once called "acid rock". The guitarist even uses a violin bow for a psychedelic solo which give screaming effects.

Overall, the message tries to show people that you can "die happy", because of the grace and mercy of God. It is the music, not the words which reeks of Satanism.

The new **BLOW THE HOUSE DOWN,** video, from the so-called Christian band **ONE BAD PIG,** (why would a Christian group even think of using such a horrible name?) is full-throttle trash (punkie and funk music).

Lots of stunts and antics abound, such as jumping into giant ice cream sundaes, skate boarders ripping up the stage, and a bunch of head bangers throwing their long hair around in a song titled **CUT YOUR HAIR!** (If Christian youth need this sort of garbage to attract their attention to Christ and His Kingdom, they are pretty far down the road towards the complete spiritual apostasy of the Laodicean church of Rev. 3.)

Along with the "piggish glee" is the ministry of **ISAIAH 6,** which is a song about having a repentant heart, and **RED RIVER,** a rocky tune which attempts to visualize the cleansing blood of Jesus. (**ISAIAH 6,** by the way, has absolutely nothing to do with that chapter in the Bible).

Here Is how this band was described by liberal so-called Christians who love it: "Overall this tape is a great time of music and ministry. The tape ends with the rollicking tune "Never Forget the Cross", which is something we all do well to heed. So get this tape, slam it in the **VCR**, crank it up **LOUD, AND BLOW THE HOUSE DOWN!"**

Sounds mighty Christian now doesn't it? Yet ask yourself: "What do pigs have to do with Jesus", other than that he used them to get rid of some demons. (Luke 8:31-33)

WORDS OR MUSIC?

If the words are all that matter why do Christian "rockers" worry about the sound? Could it be that the music is more important to them than the words? Is this why Christian youth become addicted to it and refuse to give it up?

THE STORY OF THE TWO TREES!

In Matt. 7:17-18, Jesus speaks to His disciples about two different kinds of trees and their fruit. Listen to what He said, as translated from the **AMPLIFIED VERSION** of the Bible: "Even so every healthy (sound) tree bears good fruit, worthy of admiration; but the sickly (decaying; worthless) tree bears bad (worthless) fruit; nor can a bad (diseased) tree bear excellent fruit worthy of admiration".

This principle, which is easy to understand, somehow eludes many Christians in this day. There are not two kinds of "rock and roil music", and "good" and one "evil". There is not "Christian rock" as opposed to "Satanic rock' ', for both come from the same Satanic source. There is only one source for this music, no matter what kind of a label you attach to it. It **MUST** always come under the evaluation of "evil fruit".

Any investigator into the lives of worldly rock stars, reveals a long trail of immorality, abuse and self-destruction. The same is true about the rock musicians who play so-called Christian rock. They cannot play this music, without becoming contaminated by it.

Why have Christians chosen to use rock music to preach their message of salvation and hope, when their Master tells them that they cannot get "good fruit from a bad tree"?

Rock and music was created to destroy souls, not to glorify God. If was designed to destroy the only element which has presented Christ to a "lost and dying world".

Christians who believe they can sanctify the music of the adversary by putting Christian lyrics with it, are deceiving themselves. Instead of sanctifying the evil music, they become defiled by it!

It becomes quite obvious that Christian youth listen to rock and roll because it gratifies their sensual lust for music. in modern terms "They get off on it!" They compromise their Christian integrity by yielding to the "lust of the flesh". They unthinkingly utter blasphemies such as "Jesus loves rock", or "We're rocking for the King". Nonsense, If they are "rocking" in any way, it's not for King Jesus. Jesus doesn't love anything that is of the devil, yet in their feeble attempt to justify themselves, they make a public shame and mockery of the Savior who died for them!

COPY CATS

It may be of interest to note that during this period when Christian rock has become popular, in every Instance it is copied from the music style of "unsaved rockers". I'm not going to stick my neck out to say that those musicians who play Christian rock, or those who listen to It are unsaved, but the scriptural "rule of thumb" still stands: "By their fruits shall ye know them!" Remember the

old adage: "If it looks like a duck, waddles like a duck, quacks like a duck, has feathers like a duck, and runs around with other ducks; the chances are pretty good that you are looking at a duck". The same goes with Christian rock.

God does not desire His "born again" children to Imitate the world. In 1 John 2:15, we are told: "Love not the world, neither the things that are in the world (system). If any man (woman) love the world (system), the **LOVE OF THE FATHER IS NOT IN HIM".** (Emphasis added.)

Don't get angry with me, those words are not original with me, I'm just passing on what the New Testament church taught.

You young people who love Christian rock, how much time do you spend with the Lord, attempting to find out His will for your life? Evidently very little, or you would not be using the devil's tool in a feeble attempt to glorify your King. Do you spend as much time studying His Word, as you do listening to the devil's music?

If Christians need to seek fun through Christian rock, why not open Christian bars and night clubs, where they could serve Christian booze? We might as well advocate Christian booze and cigarettes, and drugs, as Christian rock. All of them are absurd and destroying. Or what about Christian pornography? Would you be willing to have your Christian sister pose in the nude, for some so-called Christian magazine, so that Christians could look on and lust after one of their own? Absolutely stupid! Doesn't make much sense, now does it?

The concept of Christian rock is no less dangerous than putting a label on a bottle of Old Grandad, which states: **"OK FOR CHRISTIANS, BECAUSE IT WAS DISTILLED FOR CHRISTIANS BY CHRISTIANS, HAVE A CHRISTIAN DRINK!"**

Rock music is mind-altering, addictive, and manufactured by the enemy to destroy you. How many times must I say this? If you can't or won't see this obvious truth, it Is because you have closed your mind to the truth. Or are you one of those in whom the "god of this world hath blinded you, so that you can't accept the truth and be saved?" You say: "I'm already **BORN AGAIN!"** Then act like it! Don't act like one of the devil's crowd.

God alone knows how many children, who have been raised by God fearing parents, in the way they should go who have been destroyed by Christian rock. The pastors and lay members of the church that allow this aberration in their church, will be held accountable before God for this. They will have no defense when they stand before the King.

The deliberate destruction of souls is no light matter in the sight of God, and you should encourage your church leaders to remember Christ's words in Matt 18:6 - "But whoso shall offend (hurt) one of these little ones (youth) which believe in Me, it were better that a millstone were hanged about his neck, and that he were drowned in the depth of the sea". God will not overlook the blasphemy of Christian Rockers, nor the church authorities which allow them to act In their churches.

An analogy of sanctifying Satanic music by using Christian lyrics, would be like a preacher preaching the salvation message while he was drunk, or by someone like Jimmy Swaggart, or Jim Bakker, preaching on Christian chastity while living the life of a whoremonger.

Much can be said about the heretical misconceptions of Jesus Rock. But we need to take a closer look at the "rockers" themselves. Go to any Christian book store and pick up a Christian music magazine. Look at the way these Christian rockers dress. Their costumes, their hairdos. Their actions are a 100% imitation of the worldly crowd. Nothing is left out from the skin tight spandex, to the leather jackets covered with spikes and chains. Some stoop so low as to wear women's underwear in direct conflict to God's Law which say that it is an abomination for a man to wear women's clothing.

The Jesus Rockers defend themselves by saying that outward appearance don't mean anything, because Jesus looks on their heart. But this type of ungodly reasoning is in direct contrast with what the Apostle Paul said in Romans 12:2- "And be not conformed (fashion yourselves after) to this

world (order): but be ye transformed (changed) by the renewing of your minds, that ye may prove what is that good, and acceptable, and perfect will of God". You can't do the "perfect will of God", when you are involved in worldly pursuits.

Rock and roll music, and everything connected with it smacks of spiritual debauchery and when Christians insist in dabbling around with it, and identifying with it by wearing its clothes, and using its language and styles, then they are in contradiction with God's Word and are bringing discredit to Him.

The Jesus Rockers will angrily assert that it's what is in the heart that counts, and this is essentially true. But they often forget that outward appearances, and actions, indicate the heart's condition for "as a man (woman) thinketh in their heart, so are they", (Prov. 23:7). if they are not worshiping the gods of rock, then why dress like them and act like them? The "copy cats" are so anxious to be accepted by the world that they go out of their way to wear the same hair styles, and mimic the surly, rebellious facial expressions of those who bite the heads off live chickens on stage. I've never seen a so-called Christian Rocker, who looked truly happy or contented.

Their imitation of the world does not stop with their dress and expression, but is carried over into their loud and suggestive antics of the "hard rock" crowd. They did not learn these nasty habits from the Holy Spirit, of that you can be sure, for we are told, that when a man or woman really become "born again" they become new creatures". "Therefore if any man (woman) be in Christ he (they) is a new creature; old things have passed away, behold all things become new", (2 Cor. 5:1 7). This means a 180 degree change from worldly directions to the Christian way, the way of the Spirit. If this didn't happen when you made your commitment to Christ. If this change didn't take place, then what you got was a "pseudo-experience" and you are still lost. It wasn't that commitment card you signed that saved you, nor was it that little prayer that was handed to you printed on a card, made up by some preacher. Being s~ved, comes when you are "called by the Spirit of God to repentance, when you recognize yourself as a sinner worthy of the death penalty, when you confess your sins, to God, not to some preacher or priest, and when you are truly sorry for your disobedience and turn from your evil ways". This **MUST** come before the Salvation Experience can take place.

In terms of scriptural principles, both Old and New Testament, the entire Christian rock scene smacks of rank hypocrisy and complete lack of scriptural standards of holiness and decency. For that reason alone, I believe these rockers cannot be genuine Christians, for "By their fruits shall ye know them! "it is relatively easy to stand up In church and tell what Christ has done for you and how you love Him, but if you are following Satanic principles, you are nothing but a sham, a liar, a religious hypocrite and the truth Is not in you! Harsh? Yes, but you better believe it **- TRUE!**

Godly discipline and chastisement are completely foreign to the fakes In the Laodicean church, for when you know what true Christianity is all about, it is clear that the reason so-called Christian youth copy the world, is that they have no spiritual substance In their life. You may say: "You are being un-loving and judgmental". But maybe it's time that more Christians became "fruit inspectors", instead of taking so many fakes at "face value". Or is it the Christian way to be "played for a sucker?"

The same pastors and church members who back Christian rock have a twisted concept concerning their liberty in Christ. They have been taught by the "wolves in sheep's clothing" who stand behind their pulpits, that "Christ did away with the Law on Calvary. You don't have to live by that old Law anymore". This, even when the Savior Himself said that He had not come to do away with the law, but to confirm or fulfill it. Or when the Apostle Paul said we do not do away with the law, but establish it. (Romans 3:31)

The laws regarding personal purity, adultery, fornication, sodomy, etc., were not changed when Christ died for our sins. in fact Jesus was harder on sinners than the Old Testament, for He said in John 5:28 that anyone that looked on a woman, to lust after her, has already committed adultery with her in his heart. How many of you Christian rockers can honestly say that you have not

committed mental adultery" as you listened to the ungodly beat of the music, and watched the ungodly antics of so-called Christian girls around you?

These young people poke fun at those of us who want to live by standards of Biblical decency. They call us "old fashioned party-poopers"! The only thing they have from Christ is His name, and they mis-appropriate and defile that. They do not worship the Christ of the Bible, they follow "another foreign adulterated Christ", the god of this world. This Is what makes them popular with the Laodicean church crowd. It's no wonder the risen Christ said to them (Rev. 3:16) "So' then because thou art lukewarm, and neither cold nor hot, I will spew (spit) thee out of My mouth". Christ never did take kindly to hypocrites!

The risen Christ said that these poor befuddled church members tell themselves: "We are rich and have an increase of goods (stocks and bonds), and have need of nothing". But the King replies to these by saying: "But they do not realize they are wretched, and miserable and poor, and blind, and naked". That's about as bad a' shape a person can get in! Yet it's the state most of our professing Christians are in today! Pity that poor church member and his family, and the "brainwashed"' 'wolf in sheep's clothing" who has led them astray. God's wrath will fall on such when He has had enough, and I surmise that it will fall heaviest on the pastors who have led them astray. (We could honestly designate many of these as Baal priests).

While we know from sad experience, that hypocrisy can be found in most churches, we still seldom find professing Christians dealing in drugs, fornicating in the church parking lot while an evangelistic meeting is in progress. Yet these are the kind of actions which are bred by the Christian rock culture. The problem of sin in the church has always been with us, and will remain so long as men and women are rebellious towards God and seek to "do their own thing". We have had our Jimmy Swaggart's and Jim Bakker's in the church for centuries, but it is beyond belief, when we see professing Christians as they openly allow the Satanic influence of Christian rock to invade their church, to where rock activities become the norm among our church youth.

When someone asks how these agents of the adversary have gained so much ground within the "body of Christ", we must repeat the number one argument used by the "religious rock" enthusiasts.

When questioned about the odd costumes; lanky, greasy hairdos; loud music, and un-civilized stage antics, many Christians try and justify them by saying that they are merely "reaching young people for the Lord, who could never be reached any other way". They say: "We are doing this in order to reach lost souls!" How very spiritual! In fact, this spurious argument has been swallowed by millions of Christians around the world, without even attempting to put it under the magnifying glass of God's Word, and see if it "measures up".

I'm afraid that converts made in this un-scriptural manner may be like those Jesus accused the Pharisees of making. In Matt. 23:15, he told the Jewish church leaders: "Woe unto you scribes and Pharisees, hypocrites: for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him two4old more a child of hell than yourselves". We could certainly par'aphrase this to fit the converts made under the influence of Christian rock.

If some who read this are skeptical, listen to this news account which appeared in the **COMMERCIAL APPEAL,** the leading newspaper in Memphis, TN, March 28, 1993, under the title **ORGANIZERS SAY ATTACKS NOT RACIALLY MOTIVATED.** In part, this is what this account said: "Two teenagers were injured outside The Pyramid (evidently a bar) following Friday night's Life Focus '93 Rally, a revival where a predominately young crowd became unruly witnesses said Saturday".

NOTICE CLOSELY NOW: "The rally featured what was billed as a Christian rap concert by the group of **ETW** and, after the concert, a speech by former gang member Joseph Jennings.

"Life Focus executive coordinator Howard Eddings said it took officials a while to quiet the boisterous crowd before Jenning's speech. Once his anti-violence, anti-drug talk was over, the

12,000 teenagers poured out of the arena. As they did, one boy was beaten, and a girl was knocked to the pavement.

LIFE FOCUS RALLY ENDS IN RIOT!

"About 115 black and white Protestant churches were in participation in the Life Focus program. Organizers said the event's purpose was to convert young people to Christ, and to help unify the races. (Put miscegenation here and it would be more correct).

Christopher MacDonald, 14, one of those Injured, went to the concert after hearing about it from the Cathedral of Praise Assemblies of God Church where he attends. He and his friends were on their way back to the church van when the attack occurred. Bill Patterson, who went to the hospital to check on his daughter Meghan, 14, who was the other teenager injured, said his car was pelted with rocks by the youth when he left the hospital". Sounds like a fine Christian evening of entertainment, doesn't it? Yet it's what can be expected if you allow your teens to attend such a function. They may gain something there, but it won't be Christianity.

It is blasphemous for any Christian organization to teach that a righteous and holy God would use anything as demonic as rock music to lead men and women to Christ. An analogy might be that of a Christian using the occult to win the world for Christ. It just doesn't Work that way! The "end never justifies the means". A Christian **MUST** "never use evil means to bring about good", for it never does!

Few Christians in our day have reached the point where they are willing to put their life on the line for Jesus. I know they Sing about it, but how many Christians do you know who practice the Sentiment of this hymn?

> "Must I be carried to the skies,
> On flowery beds of ease?
> While others fought to win the prize;
> And sailed through bloody seas.
>
> "No, I **MUST** fight, if I would **REIGN**,
> Increase my courage, Lord,
> To bear the toil, endure the pain,
> Supported by Thy Word!"

The men who are willing to fight are few and hard to find, that's one of the reasons why America and Christendom is in this mess today. We could have Stopped most of this corruption at the end of WWII, with a little faith in God, and Some of the courage we Showed during the war. Instead, most patriots, including those who are Christians, thought that what they did during that War was enough, and forgot that "Eternal vigilance is the price we **MUST** pay for freedom". The same is true in the spiritual realm. We **MUST** not get Saved in order to retire to our "air-conditioned Spiritual foxhole" to wait for God to rapture us out of the mess which has been caused by our apathy. First because It is not going to happen, and Second, because it Is Shameful for Christians to act this way. This is why the writer of the book of Hebrews stated In (12:4) "Ye have not yet resisted unto blood (death) Striving against sin". What Is sin? The definition is given' in 1 John 3:4: "Sin is transgression (breaking) of the Law".

Most Christians love to talk about "ruling and reigning with Christ", in His Millennial Kingdom on this earth. But according to Rev. 2 and 3, only those who **OVERCOME** will "rule and reign with Him" You can't be an **OVERCOMER** and be in the crowd that sanctions rock and roll In the

church.

Many Christians who support "religious rock" (that is a more accurate term than "Christian rock", for these can be no such aberration), may be sincere. But it is well to remember that "sincerity is only a matter of intent it has absolutely nothing to do with truth." There will be many "sincere" Professing Christians who will hear the Lord say: "Depart from me, I never knew you!" Don't be one of these. Test the Spirits to see if they are of God. You can do this by placing them under the powerful magnifying glass of God's Word. The errors will always show up if you do this honestly!

There is a mighty rough road ahead for the professing Christian who refuses to obey the King without question. Many of these have taken Jesus as Savior", sort of a Celestial Fire Insurance Policy in order to avoid hell. (I'm not sure this will work). But few of these want to accept Him as King, for when they do, they must recognize His right to give them orders which **MUST** be obeyed. When you accept Him as King, you recognize His right to reign and rule in your heart, and many Professing Christians, including multitudes of pastors, do not want to "give up doing their own thing".

According to the Word, it will only be a matter of time until the patience of God comes to an end and He says: "Enough!" I have often wondered how He has put up with sinning mankind as long as He has. His love and patience Is indeed "long suffering". So In the face of the fact that we can expect Him to return soon, in fact at any time, we should remember the warning of the Apostle John in 1 John 5:21 - "Little children keep yourselves from idols". What did he mean by this? What are these idols in 1993? They are anything which we place in our life before God, it could be wife, children, a boat, a big car, a nice house, a good job, anything. God **MUST** always come first!

We read these sobering words In James 4:4 - "Ye adulterers and adulteresses (those who live immoral lives), know ye not that friendship of the world (order) is enmity with God? whosoever therefore will be a friend of the world (order) is the enemy of God". Those are not my words, they come straight from the Book. Christian young people, if you love and honor the deviate performers in the rock world (religious or secular), you are, according to God's words, an enemy of God.

Titus 1:16 speaks about those who profess Christ, but do not possess Him: "They profess that they know God; but in (their) works they deny Him, being abominable (detestable), and disobedient, and unto every good work reprobate (worthless)".

Checking out a number of different Bible versions, we can come up with this translation, which does the original full justice: "They openly claim to know God, but in their actions they disown Him. They are degraded and self-willed, and when it comes to doing good, they are probably frauds".

God is not concerned with whether we are entertained or not, but He does desire to see the "fruit of the Spirit" ripen In our lives. This is the fruit which comes from "Godly discipline, holiness and sacrificial love for both God and our fellow man".

We can only choose God's path by denying our fleshly lusts, whether they are for sex, money, ungodly music, power, or what have you.

The Apostle Paul admonishes us in Romans 6:12-13- "Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof. Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God".

REMEMBER ALWAYS, ABOVE EVERYTHING ELSE, ONCE YOU HAVE ACCEPTED CHRIST AS SAVIOR, THAT OBEDIENCE TO GOD MUST ALWAYS PRECEDE VICTORY!

The End
